

## Oil Drum Heaters

Oil Drum Heaters oil drum side belt heaters,drum heating belt,drum heating blanket,drum blanket heaters,barrel side heating belt,barrel side heating blanket heaters,barrel heaters,bucket heaters,bucket side heating belt blanket, pail heaters pail side heating belt blanket,pail belt heaters,pail blanket heaters 55 gallon drum heaters, 200L drum heaters,55 gallon barrel heaters,200L barrel heaters,55 gallon bucket heaters,200L bucket heaters,20L barrel heaters,20L drum heaters,20L bucket heaters,20L pail heaters,20L side heating belt, 20L side heating blanket,20L drum side heaters,20L side heating bucket heaters have been specifically designed to ease the removal of various viscous materials from a drum, bucket,barrel or pail. Heating adhesives,grease,asphalt,paint,was,oil and various resinous materials results in a constant viscosity,maximizing pump efficiency. This heaters responds well to seasonal and climatic changes. On the surface of the heater there installed the sensor, detector and adjustable temperature controller.

### Parameters:

Drum size	200L/55 gallon Drum	200L/55 gallon Drum	200L/55 gallon Drum	20L/5.5 gallon Drum
Side belt heaters size	250×1740mm	125×1740mm	102×1740mm	200×860mm
Electrical data (available)	110V/220V/230V/240V 2000W/3000W	110V/220V/230V/240V 1000W/1500W	110V/220V/230V/240V 700W/1000W	110V/220V/230V/240V 800W/1000W
Temperature range (adjustable)	30-150C/ 0-200C	30-150C/ 0-200C	30-150C/ 0-200C	30-150C/ 0-200C
Drum diameters	OD:580mm	OD:580mm	OD:580mm	OD:300mm
Plug available 	American plug; European plug, British plug; Australia plug etc			
Thermostat available (adjustable)	Manual thermostat Digital thermostat	Manual thermostat Digital thermostat	Manual thermostat Digital thermostat	Manual thermostat Digital thermostat
Heater weight	1.5kg	1kg	1kg	1kg

With manual or digital temperature controller

Other specific size,wattage,voltage for the drum side heaters are available

Notes:

- 1) Waterproof; IP 65, No water immersion
- 2) No Overlapping
